

Paris-CDG - Social movement tomorrow 08/03

Dear Presidents and Representatives of AOC, TLF, SYCAFF, ACFA and AUTF

Ladies and Gentlemen members of the cargo community,

Dear all,

In addition to the information that you may have received during the preparatory calls, I would like to ask you to find the timetable and route of the official processions of demonstrators that will take place tomorrow morning at Paris-CDG.

Of course, everyone should avoid using these routes as much as possible for the day-to-day operations of your respective activities.

I know I can count on your understanding, and I thank you very much in advance,

Yours sincerely

Edouard MATHIEU

Director of Development/Customer & Partner Relations
