*(This document will be considered as an accounting receipt.)*

No show rule: for each meeting, BAR France must sign a contract with the hotel which commits us financially on the basis of the number of members who have registered by e-mail or by telephone more than 48 hours in advance.

All cancellation intervening within that delay cannot be taken into account to reduce our commitment and, therefore, are invoiced to BAR France.

For obvious management reasons these cancelled participations must nevertheless be paid.
