The period starts from the night shift the day before (Thursday October 12th at 17h00 TU) to the end of the night shift of Friday October 13th (so it ends on Saturday 14th morning).

Minimum level of service will be put in place in some of our ATC centers.

Foreseen disruptions and measures have been explained during our conference call.

For Friday October 13th (applicable from 04:00 UTC to 21:59 UTC), airlines must reduce their flight programs (number of movements initially programmed) by :

- 40% for the airport of Paris (Orly) ;
- 20% for the airport of Marseille ;
- 15% for the airport of Beauvais.

Territorial continuity flights are not affected by these measures.

The proposed revised flights programs must be sent before Wednesday October 11th 10:00 am local time (08:00 am UTC) using the form attached to this message (annex n°2) at the following address : dta-programmes-crisis-bf@aviation-civile.gouv.fr :

The program must specify the list of maintained flights as well as cancelled flights. Any questions regarding the details of the computation can be sent to this same address.

I remind you that it is your responsibility to cancel the concerned flights and to update the COHOR base accordingly.
