Dear Sir/Madam,

Some representative unions among air traffic controllers call for strike on Monday December 18th 2023 for Paris ACC, and the following approach control centers : Paris-Orly, Lyon, Lille, Brest, Rouen, Poitiers et Saint-Yan.

The period starts from Sunday December 17th (17h UTC) to the end of the night shift of Monday December 18th (so it ends on Tuesday 19th morning at 6h UTC).

Minimum services will be put in place in all affected ATC centers according to French regulation (Paris ACC, Paris-Orly, Lyon, Poitiers).

Consequently, airlines shall reduce their flight programs (number of movements initially programmed) by :

- 30% of their number of movements on Paris-Orly airport, applicable on Monday December 18th from 5h UTC to 22h59 UTC ;
- 50% of their number of movements on Toulouse airport, applicable from Sunday December 17th 18h UTC to Tuesday December 19th 7h UTC.

Territorial continuity flights are not affected by these measures.

The proposed revised flights programs must be sent before Friday December 14th 11h am local time (10h UTC) using the form attached to this message (annex n°2) at the following address : dta-programmes-crisis-bf@aviation-civile.gouv.fr :

The program must specify the list of maintained flights as well as cancelled flights. Any questions regarding the details of the computation can be sent to this same address.

I remind you that it is your responsibility to cancel the concerned flights and to update the COHOR base accordingly.

A NOTAM has been published, reference LFFA-F2005/23.
