Good afternoon,

Just a quick reminder about the Olympics opening ceremony **on July 26, 2024**. On that day, **no slots** will be available at **CDG** airport (**in UTC**):

For Arrivals, from 15:30 till 22:39

For Departures, from 15:30 till 21:29

Runway Capacity outside these range of timings are available below.

Note about Night Slots at CDG on July 26 :

Operators who schedule departure flights between 22:00 and 23:29 or arrival flights between 22:40 and 23:59 will not require a night quota. However, it's important to note that if actual departure (arrival) flights are operated after 23:29 (23:59) without a night quota, they will be sanctioned by ACNUSA.

Please send cancellations or retiming in turnaround format by SCR for flights impacted on July 26 before the submission deadline on February 14, 2024.

After the deadline, Cohor will cancel all slots that are still scheduled on July 26 from 15:30 till 22:39 UTC (ARR and DEP detailed above) as mentioned in the coordination process sent to all operators end of January.
